glorious
organics.com

Glorious Organics is a cooperatively owned and operated farming collective situated on Fraser Common Farm in Aldergrove, BC.

The Glorious Garnish and Seasonal Salad Company was formed in 1986. When it dissolved twenty years later, in 2006, five members founded the Glorious Organics Co-operative. They grow more than 30 varieties of certified organic salad greens, as well as peas, beans, leeks, potatoes, carrots, beets, onions, garlic, fennel, herbs, flowers, some fruit, and more! Our Timber designer, Dustin Pritchard, is a blacksmith for the co-op and used a lot of reclaimed materials from the farm in the room.

BEER PROGRAM

Timber, because of its craft beer program, has strongly established itself as the place to come for quality and unique craft beer in the West End. With half of our taps rotating regularly you can be guaranteed to try something new every time you come to Timber. At Timber you can find 'off the beaten path', one off, collab, and experimental beer. Even though we pride ourselves on finding unique beers, we love the classics. Being able to anchor the beer program with gold medal winners like: **Off The Rail Brewing's Classic Pale Ale** and **Dageraad Brewing's Blonde Ale**, means you can find your faves.
