BEER PROGRAM

Timber, because of its craft beer program, has strongly established itself as the place to come for quality and unique craft beer in the West End. With half of our taps rotating regularly you can be guaranteed to try something new every time you come to Timber. At Timber you can find 'off the beaten path', one off, collab, and experimental beer. Even though we pride ourselves on finding unique beers, we love the classics. Being able to anchor the beer program with gold medal winners like:

Off The Rail Brewing's Classic Pale Ale and **Dageraad Brewing's Blonde Ale**, means you can find your faves.
